

PROTECTING OUR SEAFARERS

150,000
Seafarers stranded
at sea across the
maritime industry

WE ARE CALLING FOR:

- 1 Seafarers globally to be classified as key workers
- 2 Crew change to resume under strict conditions
- 3 Green lanes to be opened

IN THE MEANTIME, WE HAVE LISTENED TO OUR SEAFARERS AND ARE SUPPORTING THEM IN MANY WAYS

THE MARITIME INDUSTRY IS THE LIFEBLOOD OF THE GLOBAL ECONOMY. IF WE FAIL TO PROTECT OUR SEAFARERS, THE MOVEMENT OF ESSENTIAL GOODS WOULD GRIND TO A HALT.

SEAFARERS ARE KEY WORKERS
